

Here is what some of Alix and Shona's clients have to say...

Dear Alix and Shona,

"How impressive you both are! The process of buying an apartment and selling our home of 50 years was made so easy, thanks to your knowledge of the industry, your many years experience, and your hard work. Everything was done in such a professional manner and with the highest degree of integrity. Thank you for your efforts on our behalf. It was a pleasure dealing with you. In fact, it was fun".

"We finally had a chance to sit down tonight together and talk about the fact that we are homeowners once again! We are very excited and grateful to you both for sticking with us for many, many months until we landed on the right house. It's so true that when you walk in the right house, you know in an instant. We feel so incredibly lucky. Anyway, thank you for such amazing service. Shona, you certainly know how to negotiate a good deal!".

"We feel privileged to have "worked" with you both

We think that the values of:

- 1- Listening to the experts
- 2- Laughing while we work
- 3- Getting everything done quickly and on time are much more in both our souls.

Thanks very much."

Dear Shona,

"Thank you for helping us find a new home. Your guidance to us newbies was invaluable and your enthusiasm on the search was totally infectious. We are going to miss zipping around town with you, you made it fun! We feel very confident in our choice and we are excited to start this new phase of our life, wow! Home Ownership! Your thoroughness and attention to detail puts you above the rest". With gratitude,
